Updated: Jan. 2025

EDUCATION

- 2019-2024 Ph.D. in Cognitive Neuroscience
Donders Institute in Nijmegen, The Netherlands
Supervisor: Marius Peelen - [Visual Cognitive Neuroscience](#)
Thesis: How we see what is new: The role of attention and object attributes in visual memory search
- 2015-2016 Exchange Program
Temple University in Philadelphia PA, USA
- 2013-2016 MS in Psychology
National Cheng Kung University in Taiwan, China
Supervisor: Cheng-Ta Yang - [Visual Cognition Modelling Lab](#)
Thesis: Relationship between processing capacity of concept formation and creativity
- 2010-2013 BS in Psychology (Second bachelor's degree, part-time)
Peking University in Beijing, China
Supervisor: Liang Li - [School of Psychological and Cognitive Sciences](#)
Thesis: A hypothesis on sensitivity of natural human echolocation in cocktail-party effect
- 2009-2012 LL.M. in International Politics
Jilin University in Jilin, China
- 2005-2009 B.A. in Chinese Language and Literature
North China Institute of Science and Technology in Beijing, China

ACADEMIC WORK EXPERIENCES

- 2024- Visiting researcher
Donders Institute for Brain, Cognition and Behaviour, Netherland
- 2017-2019 Research assistant
State Key Laboratory of Cognitive Neuroscience and Learning, Beijing Normal University, China
- 2016-2017 Research assistant
Institute of Science and Technology for Brain-inspired Intelligence, Fudan University, China
- 2016-2016 Research assistant
State Key Laboratory of Cognitive Neuroscience and Learning, Beijing Normal University, China
- 2015-2015 Teaching assistant

National Cheng Kung University in Taiwan, China

TEACHING

2015-2015 National Cheng Kung University
Introduction to General Psychology (TA)

GRANTS, HONOURS, AWARDS

2019-2023 China Scholarship Council funding (€ 64,800)

PUBLICATIONS
